The Provident Bank Foundation Supports Bayonne Education Foundation’s Proyecto Science Summer Program

Funding provides students with opportunity to enhance Science and Mathematics knowledge and skillsets

BAYONNE, NEW JERSEY (JULY 11, 2016): The Provident Bank Foundation recently awarded Bayonne Education Foundation with a $5,000 Major Grant in support of their Proyecto Science Summer Program. Proyecto Science enables students from the Bayonne School District with the opportunity to continue their education in Science and Mathematics throughout the summer months.

“The Provident Bank Foundation supports community programs that provide an educational experience for students such as The Bayonne Education Foundation’s Proyecto Science Summer Program,” said Jane Kurek, Executive Director, The Provident Bank Foundation. “This program offers students the opportunity to obtain lifelong learning skills that will help them become more innovative and successful in the future.”
Established in 2003, The Provident Bank Foundation strives to enhance the quality of life in the region through support of not-for-profit groups, institutions, schools and other 501(c)(3) organizations that provide services in communities served by The Provident Bank.
